DECEPTION.

When the conjurer shows an empty hat, and at once begins to extract from it rabbits or cabbages, we know that we have been adroitly deceived, because we know we can't get out anything that isn't in it. If people would only reason in that way about medicine...

...a great deal better off in health and pocket. A number of so-called "blood making" and "flesh forming" "tonics" medicines are only stimulants in disguise. You can't get strength out of a stimulant because strength is not in it. All physical strength is derived from food digested and assimilated in the form of blood nourishing the entire body. Doctor Pierce's Golden Medical Discovery has cured me sound and well, after suffering two long years with stomach disease," writes W. H. Braxwell, of McAdenville, N.C. "My health is worth all the world to me. I will praise you as long as I live."

The People's Common Sense Medical Adviser, a book containing 1008 pages, is given away. Send 21 one-cent stamps the expense of mailing only, for the book in paper covers, or 31 stamps for the volume bound in cloth. Address Dr. R. V. Pierce, Buffalo, N. Y.

Brands May Come

and brands may go but the famous old "Plantation" goes on forever. Years ago, when we first put this brand upon the market, we determined there should be one firm which would make an honest effort to keep the product up to a certain standard, and the popularity of our "Plantation" brand is evidence that we have succeeded. The stock is of the same quality, and the blend exact. The same care is exercised in the manufacture of our entire output. Every Plantation cigar is stamped with the firm name of
